# CERTIFICATE

confirming that the organization

## Slovenský metrologický ústav

Karloveská 63  
841 04 Bratislava

has implemented and applies a quality management system  
in accordance with requirements of standard  
**ISO 9001:2015**

### For the scope:

Development and maintenance of national measurement standards and ensuring their international comparability; realization, maintenance and dissemination of units of measurement through calibration, measurement and metrological services; preparation and coordination of the approval of national measurement standards; characterization and certification of reference materials; type approval and verification of legally controlled measuring instruments; provision of legal metrology services; assessment of professional competence and qualifications of applicants for authorization and registration; assessment of competence and training of personnel in metrology and quality management systems; examination of professional competence of individuals in metrology; statistical control of legally controlled measuring instruments; certification, conformity assessment, metrological control and testing of measuring instruments.

**The certification audit proved that the quality management system  
complies with the requirements of the aforementioned standard.**

Registration number: QMS9360526/1
